REVELLE MEDIA GROUP

We are a boutique consultancy providing corporate communications/consulting, marketing/branding, and publishing/wordcraft/language solutions. We thus represent the intersection of art and business.

To back that up, we have 25+ years of experience, we've completed 20,000+ projects, and we've logged 50,000+ hours on the job. We are a full-service corporate communications "THINK TANK."

We craft communications strategies that can effectively promote corporate brands, minimize identity discrepancies, generate internal & external support, and coordinate with the public, customers, investors, stakeholders, etc.

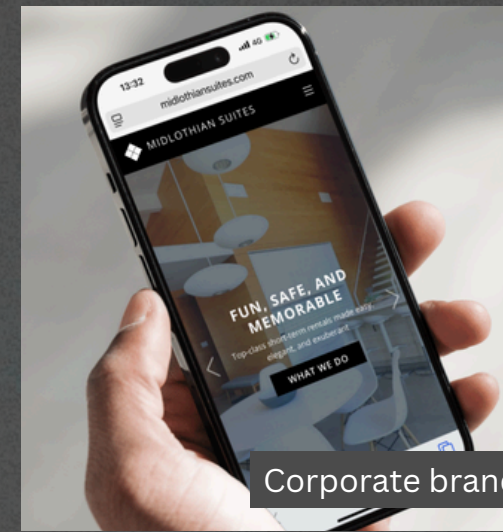

We are full service: We bring value throughout the entire spectrum of corporate communications functions. This includes PR, narrative/strategy creation, marketing / branding, planning, multimedia, and publishing and wordcraft/language solutions, touching on every domain:

- Corporate communications strategy and implementation
- Public relations, press releases
- Branding management/consulting, thought leadership
- Business planning/management consulting
- Investor relations, pitch decks, whitepapers
- Research, analytics, reporting
- Crisis management / compliance
- Social media branding & account management
- Promotional videography, specialized film photography
- Website creation
- Printed/digital materials creation, design, and publishing
- Technical manual creation
- Creative/ad writing
- Editing/proofreading
- Japanese-English translation/post-editing (MT and manual)
- Language consulting
- Galley checking/DTP proofing
- Narrations / subtitling
- And many others
